

## PRESS RELEASE

### Clavia Nord Piano Monitor

At NAMM 2019, Clavia announces and presents the new Nord Piano Monitor system. The Nord Piano Monitor is engineered especially for natural and highly detailed reproduction of the acoustic and electric piano sounds from the Nord Piano Library. Developed to give you the optimal nearfield monitoring solution, the compact Nord Piano Monitor is a natural extension of Nord instruments. Experience the true character of our renowned piano sounds with impressive depth and dynamics.

#### **Content of this Press Release:**

- Introduction
- Piano Monitor Brackets
- Directly mountable on Nord Piano 4
- Dual Inputs
- Compatibility

**Rangsdorf, 24th of January 2018** – We are pleased to announce the all-new Nord Piano Monitor system. The Nord Piano Monitor is an ideal extension of Nord instruments, perfectly engineered to express the true sound character and dynamic depth of the renowned Nord Piano Library – in a way that generic compact speakers or standard reference monitors can't. Experience impressive reproduction of famous acoustic and electric pianos up-close with the carefully crafted and surprisingly compact Nord Piano Monitor. It's an ideal match for the Nord Piano 4, Stage 3, and Electro 6, and can be mounted on the keyboard with an adapter.

#### **Piano Monitor Brackets**

For the ultimate nearfield listening experience the Nord Piano Monitor speakers can be mounted to the Nord Piano 4 using the optional Monitor Brackets. The Monitor Brackets can also be attached to standard microphone stands.

#### **Directly mountable on Nord Piano 4**

Nord Piano Monitors mounted on Nord Piano 4 with optional Monitor Brackets.

#### **Dual Inputs**

The Nord Piano Monitors feature an additional auxiliary audio input for connecting a laptop or smartphone - perfect for playing along, rehearsing or just listening to music.

**About the Company Sound Service GmbH**

Founded in 1983, the Berlin based Sound Service GmbH has been growing steadily from a one-product-distributor (MFB Fricke; the world`s first digital drummachine) to one of the major independent german distribution companies for musical instruments recording studio equipment and PA, Lightning and DJ products. Today Sound Service is one of the leading distribution companies in Europe with exclusive distribution rights for a lot of the A-List MI-brands covering most of the countries in Europe.
