

## PRESS RELEASE

### Kurzweil Introduces New SP1 Stage Piano

Kurzweil Unveils "Powerfully Simple" SP1 Keyboard at NAMM  
New Keyboard Has Fully-Weighted, Velocity-Sensitive Keybed, Versatile Sounds  
and Intuitive Controls  
With its fully-weighted, 88-note keybed, 16 instrument sounds, 256-note polyphony,  
versatile FX and MIDI control capabilities, Kurzweil's new SP1 is a capable  
keyboard for musicians of all levels in a variety of applications. With its intuitive  
controls and affordable price, the SP1 is a perfect keyboard for students, schools,  
private instructors and music lovers of all ages.

**Rangsdorf, 25th of January 2018** –The SP1's velocity-sensitive keybed feels and plays like a high-quality acoustic piano, an advantage for students and musicians who play multiple instruments. MIDI in and out jacks allow the SP1 to function as a MIDI controller making it an attractive option for recording studios and multi-keyboard artists. The SP1's 16 programs in 4 instrument categories are a specially selected group of sounds derived from Kurzweil's professional keyboards. Its intuitive controls encourage a "sit down and play it" experience while offering generous user sound customization options via the versatile FX and EQ sections, as well as Split, Layer, and Dual functions. There are 5 FAVORITES buttons enabling users to save their custom sounds. ( 112 words / 618 characters )

### **About the Company Sound Service GmbH**

Founded in 1983, the Berlin based Sound Service GmbH has been growing steadily from a one-product-distributor (MFB Fricke; the world's first digital drummachine) to one of the major independent german distribution companies for musical instruments recording studio equipment and PA, Lightning and DJ products. Today Sound Service is one of the leading distribution companies in Europe with exclusive distribution rights for a lot of the A-List MI-brands covering most of the countries in Europe.
