

PRESS RELEASE

Icon introduces new QCon Pro G2 and QCon EX G2

The new Icon QCon Pro G2 is the latest DAW controller in Icon's QCon series. The QCon Pro G2 has nine touch-sensitive, motorized faders and a 12-segment LED level meter for each channel. Thanks to the new, universal DAW control protocol, it is easier than ever to set up the controller with nearly every DAW.
In addition to the QCon Pro G2, we are also introducing the new QCon EX G2 as an expansion. The QCon EX G2 instantly adds 8 channels to your setup, which can be extended up to a maximum of 32 with three QCon EX G2s.

Content of this Press Release:

- Introduction
- The QCon Pro G2 at a glance
- The Qcon EX G2 at a glance
- Availability

Rangsdorf, 12th of September 2018 We are delighted to be able to present to you the new Icon QCon Pro G2. The QCon Pro G2 is the follow-up model to the successful QCon Pro MIDI controller and boasts many new features.

The new QCon Pro G2 has nine touch-sensitive, motorized faders and a 12-segment LED level meter for each channel. Thanks to the new, universal DAW control protocol, it is easier than ever to set up the controller with your own DAW. Expand and control your DAW with great dexterity via USB 2.0 high speed connectivity, and record or mix without all the constant clicking.

In addition to the QCon Pro G2, we are also introducing the new QCon EX G2 as an expansion. The QCon EX G2 instantly adds 8 channels to your setup, which can be extended up to a maximum of 32 with three QCon EX G2s.

About the Company Sound Service GmbH

Founded in 1983, the Berlin based Sound Service GmbH has been growing steadily from a one-product-distributor (MFB Fricke; the world's first digital drummachine) to one of the major independent german distribution companies for musical instruments recording studio equipment and PA, Lightning and DJ products. Today Sound Service is one of the leading distribution companies in Europe with exclusive distribution rights for a lot of the A-List MI-brands covering most of the countries in Europe.
