

## PRESS RELEASE

### Sound Service European Music Distribution appointed as new IsoAcoustics distributor in several EU countries

**Berlin, 1st of October 2024** – We are delighted to announce, that IsoAcoustics appointed us as the new exclusive distribution partner for their products in Germany, Austria, Switzerland, Czech Republic, Slovakia, Hungary, Romania, Lithuania, Latvia and Estonia with immediate effect.

*„We are excited to partner with Sound Service to expand our reach in Central and Eastern Europe,” said Dave Morrison, President and Founder of IsoAcoustics. “Sound Service’s expertise and dedication align perfectly with IsoAcoustics’ values, and we are confident that this collaboration will provide professionals in these regions with greater access to our award-winning acoustic isolation solutions.”*

Ron Deckers, European Sales Director at Sound Service, added:

*“The IsoAcoustics brand is a great addition to our portfolio of top-notch pro audio brands at Sound Service. Their products are a perfect match to our Focal studio monitors and we are delighted, that we can now offer complete and superb monitoring solutions to our customers.”*

IsoAcoustics products are built with a unique, patented isolation technology that provides a high degree of isolation and manages the speakers energy to deliver authentic, uncolored sound.

The product range includes the Iso-Stands and Iso-Pucks, which are used by the world's most famous producers and sound engineers.

The latest addition are the versatile V120 Mounting systems for Ceilings, Walls, Trusses and more and the unique STAGE 1 isolators for Guitar/Bass amps and cabinets.

#### About IsoAcoustics Inc.

Since its founding, IsoAcoustics has become the leader in acoustic isolation solutions for the Professional Audio and Home Audio communities with their award-winning range of products. IsoAcoustics’ solutions are used in leading studio, stage and home settings across the globe by top Grammy-winning producers, engineers and musicians, as well as in world-class facilities including Electric Lady and the Boston Symphony.

All IsoAcoustics products are built with a unique, patented isolation technology that allows speakers to deliver optimum performance, resulting in authentic, clear uncolored sound.

#### About the Company Sound Service European Music Distribution

Founded in 1983, the Berlin based Sound Service European Music Distribution has been growing steadily from a one-product-distributor (MFB Fricke; the world's first digital drummachine) to one of the major independent german distribution companies for musical instruments recording studio equipment and PA, Lightning and DJ products. Today Sound Service is one of the leading distribution companies in Europe with exclusive distribution rights for a lot of the A-List MI-brands covering most of the countries in Europe.
